

Job Opportunity

Job Posting: **CORP-2012-01-02**

Job Title: **Software Developer**

Position Type: **Full-time**

Description: Named one of Canada's 50 Best Managed Companies for 5 years in a row, DRIVING FORCE Vehicle Rentals, Sales and Leasing is looking for an experienced **Software Developer**.

Specific experience and responsibilities: (not limited to the following):

The successful candidate will be working with a team that is actively developing internal systems for deployment on either side of the firewall. You will have documented experience in designing and developing ASP.Net applications and designing Stored Procedures that fulfill given GUI requirements. You must have a good understanding of MS SQL-Server security models and formal Relational Database design, implementation and deployment.

- Qualifications:*
- Accredited post-secondary Computing Science education.
 - Proficiency in the most up-to-date technologies.
 - 4+ years of experience developing applications (ASP.Net and/or database development).
 - Must be able to multi-task and continuously prioritize issues.

We thank all candidates for their interest, however, only individuals selected for an interview will be contacted.

Location: **Edmonton West**

Please forward a letter of interest with salary expectations and resume to:
